New York

Many people think New York is the capital of the United States. It is not. But it is the biggest city in the USA. More than ten million people live in New York, and they are from all over (全部)the world! New York is an international city.

New York has a lovely nickname-Big Apple. There are many places to go and many things to see in Big Apple.

The Statue of Liberty (自由女神像) is a landmark (地标) of New York. It stands high at New York harbour (港口). And it is a present from the French!

If you want to do shopping in New York, go to the Fifth Street. Make sure you have enough(足够) money with you!

If you are a museum lover, New York is the right place to go. There are lots of museums in this city. Many teachers and parents take their children to these museums.

You learn a lot in them! If you are tired, go to the Central Park and relax. You can talk a walk in it; you can have a rest on the benches under the big trees; you can lie (躺) on the grass and do nothing. Central Park is a peaceful land in a busy city!

- () 1. Why is New York an International city?
A. Because it is very big.
B. Because many people live in this city.
C. Because the people in New York are from all over the world.
